

Verify Receives Northrop Grumman Supplier Excellence Award

IRVINE, Calif. – (BUSINESS WIRE) – Verify, Inc. a leading global provider of supplier quality, supply chain management, and technical support services, announced that it has received a 2011 Supplier Excellence Award from Northrop Grumman Information Systems. Northrop Grumman Information Systems issues the award annually to recognize suppliers who have achieved outstanding performance.

The Supplier Excellence Awards recognize suppliers that help bring superior value to Northrop Grumman and its government and commercial customers. The selected suppliers met the highest criteria for schedule, management performance and responsiveness, technical performance, financial performance and mission assurance.

Verify provides Northrop Grumman with global, on-demand source inspection and supplier quality services to assure their suppliers deliver quality product.

Alan McIntosh, Verify Company President and Lindy Nguyen, Verify Senior Project Leader received the award on behalf of the entire Northrop Grumman / Verify program team at the Supplier Excellence Awards Ceremony held in Chantilly, VA.

“Verify is acutely aware that supplier performance directly impacts our customers’ product and mission success,” said Alan McIntosh. “We are honored that Northrop Grumman has recognized our efforts and presented us with this prestigious award.”

About Verify:

Verify, Inc. is a leading provider of supplier quality, supply chain management and technical support services for aerospace, high-technology, and quality critical applications. Since 1976, Verify services have improved supplier and program performance while dramatically reducing supplier quality cost. Headquartered in Irvine, California with regional offices located throughout America, Europe, and Asia, Verify’s network of quality and technical professionals are deployed at over 6,000 supplier locations covering 40 countries.
