

## **Verify, Inc. to Receive Performance Excellence Award from The Boeing Company**

IRVINE, Calif.--(BUSINESS WIRE)--Verify, Inc., a leading global provider of supplier quality, supply chain management, and technical support services, announced that it has received a 2010 Boeing Performance Excellence Award. The Boeing Company issues the award annually to recognize suppliers who have achieved superior performance. Verify maintained a Silver composite for each month of the 12-month performance period from Oct. 1, 2009, to Sept 30, 2010.

This year, Boeing recognized 558 suppliers who achieved either a Gold or Silver level Boeing Performance Excellence Award. Verify is one of only 417 suppliers to receive the Silver level of recognition.

Verify partners with Boeing to provide global, on-demand supplier quality and technical support services that improves supplier performance and reduces cost. The services provided are for the benefit of Boeing Commercial Airplanes and Boeing Defense, Space and Security.

"Verify is acutely aware that supplier performance directly impacts our Customers' products," said Robert Schenkan, Technical Director for Verify. "We are honored that The Boeing Company has recognized our efforts and presented us with this prestigious Boeing Performance Excellence Award."
